He is also involved in carrying out all financial transactions. Siva has received certifications of CCNP, CCNA, CEH, VCP, MCITP and MCTS which has helped him in identifying similar problems affecting enterprises in case scenarios.

Arshad Ahmed - Technical Innovator of the Year

Arshad is a final year student at BITS-Pilani, Dubai. His passion is to develop innovative,

extremely affordable health care solutions for people living on very low income. His low cost ventilator won the first prize at Techfest, IIT Bombay and he was invited to present it at the World Health Care Congress. He will be doing his postgraduate

studies in the University of Manchester where he hopes to develop his ventilator further. He has participated in and won other competitions such as the BITS Pilani - Dubai Technofest and the IEEE Design challenge. His interests include trekking, exploring and diving.

BITS-Pilani Winners

Rajat Tibrewal, currently pursuing his dual degree in Msc (Hons.) Physics with BE (Hons.) Computer science at BITS Pilani, believes in affecting lives by his work. He aspires to become a specialist in Artificially Intelligent Network Systems, Human-Computer interaction and Information & Communication Technology. Backed by an excellent academic record and an exceptional

skill-set, Rajat aims to use his knowledge in designing new products or solutions that would directly address many prevalent social problems. As part of several associations and clubs at BITS Pilani, he has

displayed his passion to work, his philosophy to keep things simple and his grit to lead. He has been involved with the Robotics club where he designed friendlier user interfaces. He has spent a lot of effort in the study of Swarm intelligence, developing simulations and applying the concept to several seemingly unrelated fields, such as organizational dynamics. His Swarm intelligence projects include

Simulation of Ant Colonies and an algorithm that could be attached to cars which would suggest alternate routes to desired destinations without the use of GPS. Apart from earning the laurel of being a Goldman Sach Global Leaders Program Nominee, he also holds several posts of responsibility like the Coordinator of Computer Science Association at BITS Pilani. He has been responsible for introducing several innovative initiatives that has revolutionized the way the association works and the output it delivers.

Thouta Shailesh, pursuing his BE Hons

Electronics and Instrumentation Engineering, at BITS Pilani has a passion for social entrepreneurship. He wants to bring a change in the Indian economy by improving the Medium Scale

Entrepreneurs (MSEs) by providing training in managerial and marketing skills. He has been actively involved in organizations like NCC and NSS from an early age. His experiences as an NCC volunteer made him aware of the harsh realities of life and made him a socially responsible person. While working with NSS as a volunteer, project lead and later on as president, he got a chance to serve the community. He was instrumental in starting new projects and improving the way NSS functioned as an organization in BITS Pilani. He believes in inspiring people to bring about a change and has aptly proven his statement while working for NSS. While pursuing his interests in the social sector, he has continued his passion for electronics by being an active member of the Instrumentation Forum in BITS Pilani.

Mayank Mathur, pursuing his BE Hons Electronics & Instrumentation, believes in leading from the front. He has been an active contributing member of Instrumentation Forum as well as BITS Pilani. Propelled by a passion for electronics, he has introduced the concept of workshops by industry professionals to help students learn from their first hand experience. He

was actively involved in setting up PSoC lab in BITS Pilani. As a Coordinator of Instrumentation Forum he coordinated many events during his tenure. He always encouraged his colleagues to pursue activities in the Forum with utmost dedication, constantly being a supportive, guiding light even after the completion of his stint as the Coordinator.

M Santosh Laxman, currently pursuing B.E. Hons Electrical and Electronics Engineering --- has a keen interest in entrepreneurship and web 2.0 technologies. He has developed and managed many websites over the past two years. He is also the founder of a personalized merchandise company "Colon K" and "BITSexam", a website catering to the needs of aspiring BITSians. He is also a reporter for YourStory.in, an online media platform for entrepreneurs. With his keen observational and analytical abilities, he wants to achieve his dream of being a serial entrepreneur in life.
